Ecopaque Offset is a superbrite uncoated mechanical offset that is eco-conscious and economical. Ideal for book publishing, direct mail, financial printing, inserts, instruction manuals, workbooks or any other commercial print job that traditionally uses uncoated freesheet. Because Ecopaque features high opacity and bulk, it can be used as an economical substitute for uncoated freesheet without sacrificing look and feel. Ecopaque uses 50% less wood fiber than uncoated freesheet. Ecopaque is also qualified on many high speed inkjet presses.

Equal Offset and Equal Book: Ideal for all your printing requirements such as book publishing, direct mail, financial printing, inserts, instruction manuals, forms, booklets or other commercial print jobs that traditionally use uncoated offset. This grade delivers high performance economically while using 50% less wood fiber than uncoated freesheet. Equal Book is made to caliper. Equal Offset and Equal Book are also compatible with high speed inkjet.
